

BRAMLEY

PLANTSMITHS SINCE 2009

CABIN TREATMENT MENU

Our Bramley treatments have been created for you to be able to relax your mind and reward your skin, whilst being completely immersed in the scents and sounds of the British countryside.

Founded in 2009, Bramley has over a decade of experience infusing body care formulations and, with nature as our foundation and using centuries-old botany, we have created a collection of skincare products, developed to help support your skin's natural function with vitamins, antioxidants & powerful botanical ingredients.

We aim to deliver long-lasting results by combining our unique apple extract with essential oils & active, science-backed ingredients, which are sustainably sourced, skin kind and cruelty free, making them suitable for everyone.

Bramley Skin ingredients are sustainably sourced, skin-kind, and cruelty-free making them suitable for everyone including vegans. Our treatments include advanced therapeutic techniques that have been created for everyone.

TREATMENTS

Results-driven face & body therapy packed with an abundance of nature's finest botanicals, and science-led complexes. Relax your mind and reward your skin with the long-term benefits of one of Bramley's signature treatments.

FACE

Bramley Bespoke Facial

60 min - £60

This skin type specific facial helps your skin become a better version of itself. After listening to you and observing your needs, the treatment will be tailored to help achieve the best results to encourage and support your skin's natural functions.

Apple Peel AHA Facial

60 min - £70

This targeted AHA treatment uses glycolic, lactic and malic acid to help refine and rejuvenate your skin, encouraging new cells to the skin's surface, whilst toning and firming the facial muscles, revealing a soft and luminous glow. You, and your skin, will be left feeling completely revitalised.

Probiotic Rose Quartz Facial

90 min - £80

The perfect facial for skin affected by hormonal changes, stress or pollution. This activating and re-setting treatment includes a refining AHA facial peel, rose quartz lymphatic drainage, as well as a toning massage with our probiotic rest-day serum. This treatment is carefully created to help support and balance your skin and body's natural equilibrium. For that little extra bit of relaxation, you will also be given a therapeutic abdominal or foot massage.

Mini Bramley Bespoke Facial

45 min - £50

This mini, skin-type-specific facial introduces you to nature's finest botanicals. We combine the power of plant actives and the therapist's knowledge to provide a bespoke treatment created for your skin's needs, helping it feel and appear refreshed and a brighter version of itself. A perfect starter facial, gentle enough for young skin, and mothers-to-be. Age 10+

BODY

Bramley Bespoke Body Massage

Back, Neck, Shoulder & Scalp	45 min - £50
Back, Neck, Shoulder, Scalp, Legs & Arms	60 min - £70
Back, Neck, Shoulder, Scalp, Legs & Arms	90 min - £85

This bespoke body treatment is inspired by nature's botanicals. We harness the power of plant actives and the therapist's knowledge to provide a massage unique to you.

After a thorough consultation to determine your needs, we will choose one of our therapeutically-blended body oils to support your treatment-specific concerns. Allow your senses to be soothed, muscles warmed, and body relaxed.

Bramley Bespoke Body Massage with Selenite Crystals

Back, Neck, Shoulder & Scalp	45 min - £55
Back, Neck, Shoulder, Scalp, Legs & Arms	60 min - £75
Back, Neck, Shoulder, Scalp, Legs & Arms	90 min - £90

Our bespoke body treatment combines the therapeutic properties of our body oils with the healing and energising effects of warmed selenite crystals. These beautiful, luminous stones are used during the treatment and are believed to help restore peace and calm, elevating and improving your sense of well-being.

Probiotic Back Treatment

45 min - £60

This specialist probiotic treatment concentrates on the back of the body and upper arms, focusing on areas of uneven texture, blocked pores and congestion. The perfect treatment for any awkward and tricky-to-reach areas that often needs some attention and TLC. Your skin is deeply cleansed and exfoliated to allow the probiotic serum to help reset and re-balance the skin's natural equilibrium.

Bramley Bespoke Head, & Upper Body Massage

45 min - £55

This bespoke treatment is carefully created to treat the upper body, focussing specifically on your scalp, neck, shoulders and upper arms. It helps to support your posture, improve circulation to your scalp, relax tired muscles, relieve stress and reduce any tension. Allow yourself to be soothed and restored.

Bramley Mother-to-Be
(suitable for 12 weeks & over)
60 minutes - £70

Our bespoke head-to-toe nurturing treatment brings a beautiful sense of inner calm, helping ease tiredness and reduce stress on weight-bearing joints as your body grows. The treatment helps give a sense of grounding, as your newly-relaxed body and mind is passed on and shared with your baby...

"We've created these treatments to leave you feeling relaxed, rested and restored – as if you've just immersed yourself in the beautiful British countryside. By blending Bramley's unique apple formula, along with the very best in essential oils, and the highest quality of sustainably sourced natural science-backed ingredients, we aim to deliver long-lasting results and support the skin naturally.

We hope you enjoy your Bramley treatment."

Chloë Luxton, Founder & Creative Director, Bramley
